

Start of year survey

Please send an email from the email account you most check to me at: sfelling@tuhsd.k12.az.us

In the subject line, please write: your name, your period number

In the email body text, please give your answers to the following questions:

- Your full name
- Nickname/what do you prefer for me to call you?
- An email address I can use to contact your parents if needed.
- Please tell me about your technology setup for online school at home.
 - Do you have a computer, tablet or cellphone or some combination of these?
 - Do have the ability to take pictures of written work and send image files as an attachment to an email?
 - Do you have a reliable internet connection?
 - Are you sharing technology with other students in your home?
- Please tell me a little about yourself (activities, hobbies, interests)
- Please tell me what your plans are for after high school (What colleges are you planning to apply to or interested in, or are you planning something different (military, starting a business, etc.)? What majors are you interested in studying? What careers are you thinking of as possibilities?)

I'm really happy to have you in class this year, and I'm looking forward to sharing some interesting mathematics with you!
